Assistant Commissioner for Patents

Dear Examiner Jones

This paper is filed in response to the Office Action mailed December 12<sup>th</sup> 2003. Accordingly this paper is timely filed.

I am in receipt of your office action on 12<sup>th</sup> December 2003. Since that was the first time we filed a reply without the help of an attorney, please excuse us that we did not amend the claims together with the reply. We are, as a matter of fact, still in the learning process. I hope this quick reply can still salvage the claims 3-6 in both the 112 and 103 rejections, as suggested by your next to last sentence on page 3.
